**IRRIGATION DISTRICT RATES
FOR - 2023**

Irrigation Fees

- In-District water delivery rate: \$15.00 per hour with a two (2) hour per acre minimum.
- Strip water rate: \$15.00 per hour with an interval of one (1) hour to the acre.
- Out of District water rate: By contract
- Mining contract water rate \$1,000 per acre foot.
- Mining water rate: \$500 per ac/ft. This purchase is non-refundable.
- Tank Water charge: \$15.00 per 1,000 gallons or less.
- Oil field set up fee (per rig): \$7,500

Flat Rate Charge:

- Flat Rate is due on or before March 1 and becomes delinquent April 1. Flat rate is paid through February 28 of the following year.
- Current Flat Rate is \$26.00 per net acre.

*The District, however, reserves the right to refuse requests to start its pumping facilities during periods when it is not delivering water due to rain, general repairs, and lack of water.
